In the 60's & 70's, we had the United States' Largest Fleet of PIZZA DELIVERY BUGS!

## It All Started in 1957...

...when Richard and Marti Dermer co-founded "The Hideaway" in Stillwater, OK near Oklahoma State University. Using the same techniques developed over 65 years ago, we've grown into more than 20 (mostly) neighborhood pizzerias that have stood the test of time. One bite and you'll understand why it's not just pizza - it's Hideaway Pizza.

Richard traveled the world as President of the American Kiteflyers Association and decorated the original Hideaway with his unique collection - a tradition we continue today!

Our love of COLLAGES started when Marti cut out pictures from magazines and glued them to the walls!
